The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for and expansion for the seismic retrofitting of Holladay City Hall in fiscal year 2025. The entity to receive funding for this project is the City of Holladay, located at 4580 S 2300 E, Holladay, UT 84117. The funding would be used to seismically retrofit the police department and City Hall building to prevent the facility from collapsing in the event of an earthquake. The project is an appropriate use of taxpayer funds because funds would support the safety of the city building and police department. The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Curtis", followed by a long horizontal flourish line extending to the right.
