The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the 3900 South Shared Use Path in fiscal year 2025. The entity to receive funding for this project is the City of Millcreek, located at 1330 East Chambers Avenue, Millcreek, UT 84106. The funding would be used for the building of a shared-use path along 3900 South that would significantly improve connectivity and support active transportation for users by providing safer and more convenient access to various locations. The project is an appropriate use of taxpayer funds because public infrastructure is often funded by the government. The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John R. Curtis
Member of Congress
