The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
H-307 The Capitol  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bureau of Reclamation for the Provo City Aquifer Recharge Project in fiscal year 2025. The entity to receive funding for this project is the city of Provo, located at 320 West 500 North, Provo, UT 84601. The funding would be used to development of aquifer water storage.

The project is an appropriate use of taxpayer funds because providing clean water to drought stricken states is a critical use of government funding.

The project has a Federal nexus because the funding provided is for purposes authorized by 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Curtis", followed by a long horizontal line extending to the right.
