Committee on Appropriations

Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Monroe Street Phase III.

The entity to receive funding for this project is Sandy City located at 10000 S Centennial Pkwy Sandy, Utah 84070. The funding would be used for a new collector road that runs parallel to I-15 between 10600 South and 9000 South, serving as the central artery of the rapidly developing Cairns District. The project is an appropriate use of taxpayer funds because this development will ease traffic and improve safety for the residents of Sandy City and the people of Utah. The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Curtis", followed by a long horizontal flourish line extending to the right.
