Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Safe Route to School Sidewalk Project in surface transportation reauthorization legislation.

The project sponsor for this project is Salt Lake County Municipal Services District and the project is located at 8425 S from 1300 E to 1475 E in Salt Lake County, Utah 84094.

The funding is designated for installation of a new section of sidewalk to allow elementary school children to safely walk along 8425 South to access Peruvian Park Elementary School

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the infrastructure that Utahns depend on. This new paved sidewalk on the north side of 8425 would greatly benefit the community and school by promoting walking to school and having a sidewalk improves pedestrian safety.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John Curtis
