Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Provo Housing Project in surface transportation reauthorization legislation.

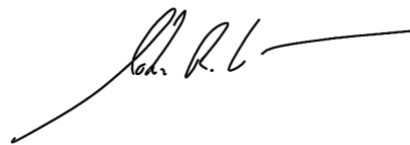

The project sponsor for this project is Utah Regional Housing (URH)/Provo City Housing Authority (PCHA) and the project is located in the cities of Orem and Provo.

The funding is designated for a project which is a continuation of a two-year old effort by URH and the Provo City Housing Authority to invest in permanent supportive housing infrastructure for chronically homeless individuals that is within walking distance of mass transit options.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: providing permanent supportive housing infrastructure for chronically homeless individuals that is within walking distance of mass transit options.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Curtis", with a long horizontal line extending to the right.
